Dear

General Smith has received your letter of May 27th regarding an unmailed letter to him and an appointment should you come to Washington.

As you no doubt realize, General Smith has an extremely heavy schedule from day to day and finds it increasingly difficult to see people other than those connected with the Agency. However, if I can be of any assistance to you, please get in touch with me in the event you come to Washington.

Should you still desire to forward the correspondence mentioned in your letter, I suggest that it be sent to me marked for my personal attention.

Sincerely,
